Grab your BOARDS, BAGGIES, and BIKINIS, PAPA DOO RUN RUN is cruisin' into town!

Formed in 1965, the now legendary California band, PAPA DOO RUN RUN, quickly discovered their forté - they could sound just like the Beach Boys! That sound caught the attention of surf music legends, Jan & Dean, and from 1976-80 PDRR toured North America as opening act and back-up band with the duo. In 1980, PDRR graduated from J&D to the Beach Boys, and performed and recorded with members of *that* band throughout the next 2 decades. The group also had an unprecedented 15-year run as the "Celebrity House Band" at Disneyland from 1975-90!

PDRR's first major record release, "Be True To Your School" (RCA, 1975), made the *Billboard Hot 100* nationally and reached No. 1 in California. Their ground-breaking CD "California Project" (Telarc, 1985) exploded onto the *Hot 100* Chart at no. 17, earning the band their second Gold Record and a Grammy Nomination. Additionally, they appeared in, and recorded the soundtrack album for the CBS-TV movie "Deadman's Curve". Other accolades include PDRR's induction into the N. California Rock & Roll Hall of Fame (San Jose Rocks). The band currently has 9 CD releases as well as a full length DVD, and 3 songs in regular rotation on Sirius Satellite Radio.

Papa Doo Run Run's live show focuses around their award winning re-creation of the hits of the Beach Boys, plus all the fun "Classic Rock" party hits of the 60's, 70's, and 80's. Their act is FAST and FUN, and never fails to get their audience singing along at the top of their lungs! One of their best-kept secrets... Papa Doo Run Run is who the Beach Boys call when *they* need someone to "fill in" in *their* band.
